## UNISON AGM ONLINE SESSION

UNISON Wakefield District held their in person Annual General Meeting on 19th March at Wakefield Town Hall. Whilst it was well attended by retired members and activists, the general membership of UNISON was somewhat underrepresented. Whilst we absolutely understand that meetings held in the middle of work day are difficult to attend for our hardworking members, we have to let you know how important these meetings are to the organisation of the Trade Union.

To allow members who were unable to attend in person, we are organising a virtual AGM on **Thursday 27th March at 6pm** on TEAMS and encourage all members to attend if you were unable to attend the meeting on the 19th.

The agenda for the virtual AGM will be sent out separately along with the...

...documentation including; Officer reports, motions and last years AGM minutes.

**Please make every effort to attend as the AGM is vital to the running of YOUR union.**
